

The Danish Cultural Institute Benelux
has the honour of inviting you to the

Opening of Exhibition the "*Soleil de Minuit*"
with Savina Tarsitano
7th of March 2008 at 5pm

**The opening will be performed by
the ambassador of Greenland, Lars Vesterbirk**

**at the Danish Cultural Institute
35 Rue Royale, 1000 Brussels**

The Italian artist, Savina Tarsitano, has been living and working in Greenland as a part of her project "The Island you want" – an artistic journey that has taken her to different islands around the world. Her artistic mark is to adapt and identify with the environments she meets on her travels and in Greenland she was not only inspired by the surroundings, but also by the insights provided by Inuit civilisation.
